

## Student Progress Report

Following the completion of the A-exam, all students are required to electronically complete the following Student Progress Review Report before the start of every Fall semester. You must email the completed form and a current CV to (i) your thesis advisor, (ii) your Research Progress Review Committee, and (iii) the SSPB Program ([sspb@rice.edu](mailto:sspb@rice.edu)).

Student Name:

Thesis Advisor:

Matriculation Semester/Year:

Expected Date of Graduation (if known):

Title and brief description of your thesis project (200 words).

Please provide a short summary of your research progress and major accomplishments during the past year (500 words).

Please provide a short description of your research goals and plans for the upcoming Fall semester (250 words).

Please provide a short description of your research goals and plans for the upcoming Spring semester (250 words).

List all articles you have published or submitted to date during your time in the SSPB program (describe the stage of preparation).

List all unpublished manuscripts you are preparing to date during your time in the SSPB program (describe the stage of preparation).

List all oral and poster presentations you have given to date during your time in the program.

List all oral and poster presentations where you have been listed as a co-author during your time in the program.

List all teaching experiences you have engaged in to date during your time in the program.

List all internships you have completed (if any) to date during your time in the program.

What are your career goals (short- and long-term) after earning your degree?

What activities are you planning for the upcoming year to support your career goals?

Describe any challenges you foresee that will affect your timeline to graduation. Have you discussed these with your thesis mentor?

Is there anything else that you would like to add?

Would you like to meet with your Research Progress Review Committee to discuss any particular challenges? If so, the SSPB Program Administrator will assist in scheduling any meetings that are requested.

Yes

No

## Student Self-Evaluation

Please evaluate yourself in the following areas you should be developing throughout your graduate training.

	(1) Needs a lot of work	(2)	(3) Needs some work	(4)	(5) Needs no work
Depth of knowledge in the area of your thesis proposal					
Ability to integrate knowledge and critically think through problems					
Research planning skills					
Written communication skills					
Visual and oral communication skills					
Time management skills					
Interpersonal skills
